

## No. 04 Official Statement

### Requirements for the initiation of the validation and verification processes of the CCMP registered in Cercarbono.

**Date:** 04.03.2022

**From:** Cercarbono Voluntary Carbon Certification Program

**Addressed to:** **Validation and Verification Bodies authorized in Cercarbono.**

**Subject:** **Requirements for the initiation of the validation and verification processes of the CCMP registered in Cercarbono.**

Cercarbono Voluntary Carbon Certification Program informs the authorized VVB's that the programs and projects that aspire to certify the climate change mitigation actions under our program, must be duly registered on the EcoRegistry platform to start the processes validation or validation and verification by the VVB's. Without compliance with this requirement, will not be able to start the process. Projects that have already started validation or validation-verification processes, must carry out the due registration as soon as possible.

We appreciate you sharing this information with your customers.
